Re: Resolutions for 2012 Convention

Resolutions passed at a convention are only in effect for one Fraternal Year. To continue to be active, they must be submitted annually.

Resolutions requesting the expenditure of funds must be received by the State Advocate no later than February 10, 2012. All other resolutions must be received by the State Advocate no later than March 10, 2012. Resolutions from councils nominating one of its members for a state office must first be sent to the State Secretary who will in turn forward same to the State Advocate to be published with convention resolutions.

Resolutions can be sent to me in Word or Adobe PDF. If mailed, please type them so I can scan them into my computer.

Vivat Jesus
